NATURAL GAS FITTER APPLICATION

1. TO QUALIFY FOR THE EXAMINATION, AN APPLICANT MUST MEET ONE OF THE FOLLOWING REQUIREMENTS:
 - a. **INDENTURED:** The applicant must be currently enrolled in an approved apprenticeship program through the Louisiana Workforce Commission and registered as an apprentice through the State Plumbing Board and have performed 3,000 hours of manual labor of plumbing under the direct, constant, on-the-job supervision of a journeyman or master natural gas fitter licensed by the board.
 - b. **UNEDENTURED:** The applicant must be a currently registered apprentice through the State Plumbing Board of Louisiana and have performed 4,000 hours of manual labor of plumbing under the direct, constant, on-the-job supervision of a journeyman or master natural gas fitter licensed by the board.
 - c. **LICENSED JOURNEYMAN PLUMBER:** The applicant may qualify for the exam by holding a current journeyman plumber license.
 - d. **OUT-OF-STATE APPLICANTS:** if you have a valid gas fitting license in another state, you may use it to qualify to take the Natural Gas Fitter exam. **Applicants will be required to submit a copy of their out-of-state gas fitting license with the application for approval. Only States that require at least 4,000 hours on-the-job training will be accepted. If your license does not meet the hourly requirement, you may submit at least 2 (two) or more W-2's where you worked full time for a licensed natural gas fitter company.**
2. **Applicants are scheduled on a first come first serve basis.** Applicants MUST submit applications no less than 30 (thirty) days before any scheduled examination. If an applicant withdraws an application at least thirty (30) days prior to the examination, fifty percent (50%) of the examination fee will be retained for administrative costs. If an applicant does not appear for the scheduled examination or cancels less than thirty (30) days prior, the exam fee will be forfeited.
3. **The Natural Gas fitter exam consists of one (1) part, 80 questions, a 3-hour written exam, and a 30-minute practical (hands-on) portion.**

The written exam is based on the following reference material:
2021 International Fuel Gas Code (IFGC)

The practical portion of the exam includes a:
Screw Pipe Project

Scores cannot be given over the phone. Upon passing the examination, an applicant will be notified to complete the appropriate form and return it with a **\$40.00 fee** for their first license. Each license holder will be responsible for taking continuing education each year through an approved provider and renewing this license each year with the State Plumbing Board before December 31st to avoid delinquent fees.
